Newcastle & Gateshead Art Map

This guide is produced independently as a seasonal directory of art exhibitions and organisations across Newcastle and Gateshead, North and South Tyneside.

There's so much to see and do here. From artist-led events to public galleries, art in Newcastle and Gateshead is marked by a sense of adventure, discovery and variety, and by the lively, inquisitive and open artistic community that makes it happen.

Whether you live here or are visiting, use this guide to find out what art's where.

Using the map

1 – 27 *Venue numbers*
Use the numbers beside each organisation's name to locate them on the map overleaf.

FREE *No admission charge*
Venues marked as 'free' have no admission charge (but might still charge for certain events or activities)

N.V. *Non-venue organisation*
Some organisations don't have their own venue. They might commission artists, produce events or exhibitions, but not from a fixed base. Their contact details are included here for information.

M *Nearest Metro station*

Winter 2022
The Newcastle & Gateshead Art Map is published four times a year. This edition, Autumn 2022, covers the period October – December.

All listings are checked for accuracy at the time of publication, but it's a good idea to check individual websites before visiting, in case things have changed.

More information
For tourist information about the area, **see newcastlegateshead.com**
For performance and music listings, pick up a copy of *NARC. magazine* or *The Crack* across the region.

Getting around
If you're visiting the area, the Tyne & Wear Metro is a good way to travel between venues that are further away from the city centre. Nearest Metro stations are indicated alongside each venue's address. View maps and plan your journey for Metro, bus and ferry at **nexus.org.uk**

It's easy to walk between most venues in the centre. The area is good to cycle around, too, with flat, almost entirely traffic-free riverside paths to the coast and a growing network of dedicated cycle lanes in and around the centres of Newcastle and Gateshead. Plan journeys at **cycle.travel**

About this map
