North East Artists' Fund

Support for the region, from the region
Art Network North East's new fund offers micro-bursaries to visual arts practitioners.

The North East Artists' Fund has been created thanks to contributions from Baltic, MIMA, Sunderland Culture and The NewBridge Project.

Purpose of the fund
The fund is designed to help individual practitioners – artists, curators, art writers, etc – address what might otherwise be a barrier to their practice.

The fund is small and has proved very popular, so before applying please consider whether you could reasonably find the support elsewhere.

How to apply
For more information and to apply, go to **neartists.fund** and fill in the online form before 10 February.

You can apply for up to £500. For applications of over £100, there's a deadline of 10 February, but you can apply for under £100 at any time, with an average ten-day turnaround.

The application process is designed to be as easy as possible. It should take no more than 5 – 10 minutes — and we don't expect any reports or outputs in return.

Open for submissions (up to £100) Until 10 February

Open for submissions (£100 and over) From 16 January until 10 February

Newcastle & Gateshead Art Map

This guide is produced independently as a seasonal directory of art exhibitions and organisations across Newcastle and Gateshead, North and South Tyneside.

There's so much to see and do here. From artist-led events to public galleries, art in Newcastle and Gateshead is marked by a sense of adventure, discovery and variety, and by the lively, inquisitive and open artistic community that makes it happen.

Whether you live here or are visiting, use this guide to find out what art's where.

Getting around
If you're visiting the area, the Tyne & Wear Metro is a good way to travel between venues that are further away from the city centre. Nearest Metro stations are indicated alongside each venue's address. View maps and plan your journey for Metro, bus and ferry at **nexus.org.uk**

It's easy to walk between most venues in the centre. The area is good to cycle around, too, with flat, almost entirely traffic-free riverside paths to the coast and a growing network of dedicated cycle lanes around the centres of Gateshead and Newcastle. Plan journeys at **cycle.travel**
